

Mission

Advance the work of our authors.

Vision

Transform education worldwide to ensure learning for all.

Core Values

- Passion for our purpose
- Dedication to quality
- Develop individual potential
- Profitable growth
- Integrity—period

Goal

Provide the greatest offering and integration of resources created by our tier-one authors, supported by top-quality, high-touch professional development, using technology as an accelerator.

Guiding Principles

- Our authors are our number-one priority.
- We work in collaborative teams.
- We are a continuous learning organization.
- Data rules.

Strategies

- Cultivate professional development opportunities for educators.
- Create and refine practices that reflect our core values.
- Fully develop Solution Tree's brand recognition.
